

## CHASDEI LEV ORDER FORM

## Succos 2023

### לכבוד ידידנו הגדול הרב שליט"א ומשפחתו שיחי',

Every morning, all of us are mispallel that our children, grandchildren, and all Yiddishe children learn Torah and become ehlichlich Yidden. You are among the select few who have chosen to make that tefillah come true. You are the link from Har Sinai to the next generation, and all generations to follow. What you teach, how you teach it, and what you transmit through being there for your talmidim helps ensure that לא תשתכח תורה מישראל.

You and your mishpachah have willingly chosen to undertake this role. It is therefore our pleasure, as a small measure of hakaras hatov to offer you this extensive list of food and household necessities at drastically reduced prices.

*YOUR CHASDEI LEV FAMILY*
